RESPONSE TO OFFICE ACTION

In response to the Official Action dated December 5, 2001, please amend the above-captioned application as follows:

In the Specification:

Please amend Page 1, lines 19-20 to read as follows:

AI
To achieve the set object, the hanger disclosed herein includes a card body that has at least one recess. The card body has one side with a portion of that side defining a fastening surface. At least one holding strip cooperates with the card body to define a gap between the holding strip and the card body at times when the holding strip is located adjacent to the card body. At least one film hinge
